

pretty good when I left for  
Albany. have been pretty  
lucky this week in having  
it so cool. I suppose you  
wished it was warm.

you spoke about going  
fishing Monday. if you  
decide to go that day you  
ought to let me know so  
that my folks can get  
my fishing things down  
to me and save me a  
trip home. Will stop  
off Sunday.  
may 25-11.
